### GEORGETOWNMAYHOLD INTERSGHQLASTIC MEET

The Maryland Aggles meet is a fix-

ture and the successful handling of the

horde of schoolboys this year shows conclusively that attendance from Washington boys will be forthcoming

By BRYAN MORSE.

Next spring is quite a way off, but if present plans tentatively announced are carried through, Washington schoolboy track athletes will have plenty of work to do.

Graduate Manager Charles Cox of Graduate Manager Charles Cox of the commodations for athletes proved inadequate and the school is forced to wait further developments.

Graduate Manager Charles Cox. of Georgetown, announces the Blue and Gray as a candidate for the Southern intercollegiates next season and there is every prospect of having a big interscholastic field and track meet run n connection with the larger affair if it is landed. The Hilltop track is under going a course of treatment which is expected to make it as good as any in this section of the country.

Load after load of cinders will be put on the quarter mile course which will be broadened and made as perfect as possible. With this in view accommodations for spectators being of the best and good jumping and vaulting pits inand good jumping and vaulting pits in-stalled. Georgetown will be ready to give the Washington athletes a local interscholastic affair which has long been needed.

In addition to this, Cathedral School threatens to give an interscholastic meet on Saterlee Field. The track is

Tech and Western going over to com-pete with athletes from all the big schools in the country. It was at this meet two years ago that Ted Meredith made such an enviable record. Next Saturday the Middle Atlantic

school boy junior and senior champion ships will be fought out at Franklin Field under the auspices of the University of Pennsylvania. It is not unlikely that several athletes from local schools will take the trip.

Brewer, Carter and Harris, of Cathedral, are off for Ithaca, N. Y., to take part in the annual Cornell schoolboy games. These runners are in fine condition and expect to be among the winners in the big meet. A win in the Cornell games carries a title and a big

another season.

The athletes here have taken advantage of the opportunity offered at Collese Park and are sure to patronize the meet another season. No less than 150 boys from the high and prep schools of the city appeared last Saturday.

Why Your Stomach Hurts Some Common-Sense

> Advice BY A DOCTOR

Pain in the stomach, variously called indigestion, dyspepsia, flatulence, heartburn, stomach ache, etc., is usually attributed to some unnatural, abnormal or diseased condition of the stomach itself. Nothing, however, could be farther from the truth. Nineteen times out of twenty the stomach is absolutely healthy and normal, the pain and discomfort being entirely due to the acidity and fermentation of food which irritates and distends the stomach, although if this condition is allowed to run on, in time the constant irritation of the acid is likely to eat into the stomach walls and produce ulcers of the stomach. Medicine is useless in such a case. The acid and fermenting food must be removed by a stomach pump or an emetic, or you must neutralize the acid and stop the fermentation by taking a teaspoonful of bisurated magnesia in a little water; this latter is far the simpler and the safer method. Bisurated Magnesia almost immediately neutralizes the dangerous acid and by correcting the food contents enables even a tired, weak stomach to digest almost any food without difficulty. Physicians advise that bisurated magnesia should be kept in every home and a little taken after every meal whenever the should be kept in every home and a lit-tle taken after every meal whenever the slightest tendency to food fermentation is abown.—Advt.
